

HOW TO GET YOUR SCHOOL STARTED WITH **FINALFORMS**

GETTING STARTED

FinalForms was designed to alleviate your pain points as soon as possible. Our expert staff guides you to success in 5 easy steps.

ACTION

- Identify unique needs
- Define success
- Agree on terms

BUILD

- Customize configurations
- Build online forms
- Organize student and staff information
- Test processes
- Ensure satisfaction

COMMUNICATE

- Create playbooks and links for your website, social media, and mass messages
- Train your administration and staff
- Deliver playbooks and links for your parents and students

DEPLOY

- Launch FinalForms!
- Collect, verify, and distribute student and staff information
- Automate reminders and set up data exports

EVOLVE

- Assist with communication processes
- Review annual usage and statistics
- Plan season-to-season and year-to-year updates/upgrades
- Integrate federal and state requirements into processes

**READY TO GET
STARTED?**

Our team is made up of former administrators, teachers, and coaches—people who understand your challenges because they've lived them. **Let's build your implementation plan together.**
